

**Sphere Medical Holding PLC**  
("Sphere Medical", "Sphere" or "the Company")

**Sphere Medical Presenting at Euro Medtech 3-4 June, 2009**

**13 May, 2009:**

Dr Stuart Hendry, CEO of Sphere Medical, will present at the Euro Medtech conference in the "**Monitoring and Diagnostics**" section and has been invited to participate in the CEO panel "**Will innovation still thrive in the current market?**" The conference will be held 3-4 June, 2009 at the Maritim Hotel, Dusseldorf, Germany. Further details on the conference may be found at <http://www.ebdgroup.com/emt/index.htm>

**About Sphere Medical**

Sphere Medical is developing highly innovative monitoring products to provide clinical and economic benefits in the critical care environment, based on the company's proprietary microsensor technology. The products allow minimally invasive, real time measurement of clinical chemistry parameters and therapeutic drug concentrations, giving healthcare professionals the information they require to more effectively manage therapy and optimise patient outcomes. Sphere Medical was founded in 2002 and is based in Cambridge, UK.
