Sphere Medical presenting at the Piper Jaffray Europe Conference
23-24 June, 2009

29 May, 2009:

Dr Stuart Hendry, CEO of Sphere Medical, will present at the fourth annual Piper Jaffray Europe Conference being held on 23-24 June, 2009. Sphere Medical's presentation is scheduled for 9.00 a.m. on 24 June, 2009. The conference will be held at ANdAZ London, 40 Liverpool Street, London. Further details on the conference may be found at www.piperjaffray.com/europe2009.

About Sphere Medical

Sphere Medical is developing highly innovative monitoring products to provide clinical and economic benefits in the critical care environment, based on the company's proprietary microsensor technology. The products allow minimally invasive, real time measurement of clinical chemistry parameters and therapeutic drug concentrations, giving healthcare professionals the information they require to more effectively manage therapy and optimise patient outcomes. Sphere Medical was founded in 2002 and is based in Cambridge, UK.
