

Sphere Medical Holding PLC
("Sphere Medical", "Sphere" or "the Company")

Sphere Medical Presenting at AdvaMed, October 12th – 14th 2009

21st September, 2009:

Dr Gavin Troughton (VP Business Development) of Sphere Medical will present at the AdvaMed conference to be held 12th to 14th October 2009 at the Walter E. Washington Convention Centre, Washington D.C. AdvaMed is a conference designed by industry for industry, and the 2009 event is the premier MedTech Conference for CEOs, business executives, policy-makers, media, financiers, and other MedTech leaders from around the world. Further details on the conference may be found at <http://advamed2009.com/>

About Sphere Medical

Sphere Medical is developing highly innovative monitoring products to provide clinical and economic benefits in the critical care environment, based on the company's proprietary microsensor technology. The products allow minimally invasive, real time measurement of clinical chemistry parameters and therapeutic drug concentrations, giving healthcare professionals the information they require to more effectively manage therapy and optimise patient outcomes. Sphere Medical was founded in 2002 and is based in Cambridge, UK.
