**Sphere Medical presenting at Genesis 2009**

**8 December, 2009:**

Dr Stuart Hendry, CEO of Sphere Medical, will present at Genesis 2009, the leading biotechnology and medical technology networking conference being held on 10 - 11 December, 2009. Sphere Medical's presentation is scheduled for 9.40 a.m. on 11 December, 2009. The conference will be held at the Queen Elizabeth II Conference Centre, London. Further details on the conference may be found at <http://www.genesisconference.co.uk/>.

**About Sphere Medical**

Sphere Medical is developing highly innovative monitoring products to provide clinical and economic benefits in the critical care environment, based on the company's proprietary microsensor technology. The products allow minimally invasive, real time measurement of clinical chemistry parameters and therapeutic drug concentrations, giving healthcare professionals the information they require to more effectively manage therapy and optimise patient outcomes. Sphere Medical was founded in 2002 and is based in Cambridge, UK.
