("Sphere Medical")

**Sphere Medical presenting at the Rodman & Renshaw 12th Annual
Healthcare Conference in New York, 15 September 2010**

26 August 2010: Sphere Medical will be presenting at the Rodman & Renshaw 12th Annual Healthcare Conference in New York. The conference forms part of the Rodman & Renshaw Annual Global Investment Conference which is taking place over 13-15 September 2010.

Sphere Medical's presentation, which will be made by Dr Stuart Hendry, CEO, is scheduled for 11.15 a.m. on Wednesday 15 September 2010. The conference will be held at the New York Palace Hotel, 455 Madison Avenue, New York.

Further details of the conference can be viewed on the conference website:
www.rodman.com/conferences.

About Sphere Medical

Sphere Medical is developing highly innovative monitoring products to provide clinical and economic benefits in the critical care environment, based on the company's proprietary microsensor technology. The products allow minimally invasive, real time measurement of clinical chemistry parameters and therapeutic drug concentrations, giving healthcare professionals the information they require to more effectively manage therapy and optimise patient outcomes. Sphere Medical was founded in 2002 and is based in Cambridge, UK.
